ANIMAL AND ANIMAL PRODUCTS IMPORTATION

The Department of Agriculture wishes to advise importers and the travelling public of the legislation governing the import of animal and animal products into the Federation of St Kitts and Nevis.

Section 36 of the Animal Health Act 2024 states:

36. Import permit.

(1) Subject to subsection (5) and section 37 (2), no person shall import any animals, animal products or listed animal-related items unless—

(a) the importation is in accordance with an import permit issued by the Veterinary Authority under this section;

(b) the animals or animal products or listed animal-related items are accompanied by an international veterinary certificate issued by the Veterinary Authority of the exporting country, where required, or such other certificate issued by the Veterinary Authority of the exporting country; and

(c) the importation is done through a designated port of entry.

Subsection 5,6 states that

(5) For the purposes of this section, no import permit shall be required for the importation from approved countries of small quantities of approved animal products or animal-related items intended for personal use.

(6) Notwithstanding the provisions of subsection (5), the Minister may on the advice of the Veterinary Authority, prescribe limits on quantities of items that are brought in for personal use

The prescribed limit on the quantities of items deemed personal use is **50lbs**.

Also considered as a form of health certification are the USDA Inspection stamp, Canadian Inspection mark, UK Meat stamp and Australia Inspection stamp or other country of origin inspection on original intact packaging.

Yours Sincerely,
Dr Kofi Sylvester, DVM
