### MEMORANDUM

**TO: IMPORTERS, CUSTOMS BROKERS AND CUSTOMS CLERKS**

**FROM: COMPTROLLER OF CUSTOMS**

**SUBJECT: ASYCUDA DECLARATION MODULE**

The Customs and Excise Department is currently readying itself, its trade sector partners, importers and their agents for the implementation of the Automated System for Customs Data (ASYCUDA) World platform which, when implemented, will be the primary basis for the electronic submission and processing of import and export declarations and manifests. To this end our Department is pleased to inform you on our new launch date of the ASYCUDA DECLARATION MODULE on 6th July, 2015.

In addition to the fore mentioned, the Customs Department is willing to dispatch an officer to any business house which feels that they may require onsite assistance. If your business falls into this category please inform the ASYCUDA Team of your need on or before the 26<sup>th</sup> June 2015.

We look forward to your cooperation in this revolutionary implementation, as your wealth of knowledge and experience in the industry could greatly assist us in introducing a system that helps us to collectively satisfy our customers beyond their expectations. We also take this opportunity to encourage you to engage the system through vigorous practice.

Kennedy De Silva  
Deputy Comptroller of Customs (Ag.)
